

Step b

(1) start

:MainApp

The diagram shows a large rectangular container. Inside, there is a dashed horizontal line. Above the line is a box labeled ':MainApp'. An arrow points from the left edge of the container to the top-left corner of the ':MainApp' box. Below the dashed line are three boxes labeled 'Date', 'Time', and ':stdout'. The text 'Base Libs' is positioned above these three boxes.

Base Libs

Date

Time
